

Top 100 Edition

MCC 800 – LIMITED EDITION.

Our small machine that can do great things and made us the top innovator in 2020.

Concentrating on the essential features, the MCC is extremely economical, designed for series production, as a stand-alone machine or for interlinked production lines.

BW can proudly claim that the MCC series is a symbol of our new understanding of innovation-friendly corporate culture and is the result of our change process. We want to celebrate that with you.

Boost your production now with our innovation guarantee – uncompromising BW, in a small format.
